

DO I HAVE A CASE?

Do I Have A Case?

This is one of the most common questions people ask when they are considering pursuing workers' compensation benefits. So how do you know when it's time to reach out to our office?

If you have been hurt on the job, you have the right to pursue workers' compensation benefits in New York.

Requirements for a Workers' Compensation Case:

1. You were hurt on the job.
2. You work for an employer mandated to have workers' compensation coverage.

Any employee that qualifies for workers' compensation can receive compensation for medical bills, lost wages and even time spent out of work. Your employer's insurance carrier will cover these expenses.

Common Workers' Compensation Injuries:

- Falls from Ladders
- Falls from Scaffolding
- Injuries from Fallen Objects
- Trip and Falls Caused by Debris
- Work-Related Motor Vehicle Accidents
- Injuries from Defective Tools
- Joint Injuries from Heavy Lifting or Power Tools
- Repetitive Stress Injuries
- Occupational Disease or Illness

Of course, these are just a few of the workplace injuries that qualify for workers' compensation in New York State. At Pyrros & Serres, LLP, we offer free case evaluations for workers' compensation cases. This means that you do not owe us a fee unless we obtain compensation for you.

If you think that you may qualify for workers' compensation benefits, don't hesitate to give us a call. Our phone lines are open 24/7.
