Happy Halloween from the Attorneys at Pyrros & Serres LLP

Halloween Safety Tips

Happy Halloween! Whether you are getting ready to head out trick-or-treating or you're going to a Halloween party with your friends, remember to stay safe and have fun. Here are a few tips to help make sure that you and your family enjoy the holiday this year.

Halloween Safety Tips:

Watch Lit Candles -

Keep an eye on jack-o-lanterns and other candles while they are lit, especially if you have small kids and pets. They may unknowingly knock the pumpkin over.

Drive Safely -

Slow down in areas where you know kids will be out trick-or-treating. Take some extra time to look out for children at intersections.

Be Careful When Walking -

Just as drivers need to be careful, parents and kids should watch out for cars that are turning or backing out of their driveways. Always use the sidewalk when walking from house to house!

Carve Pumpkins Carefully -

Always supervise children as they are carving pumpkins. Small tools in pumpkin carving kits are often safer to use than kitchen knives. Have children draw or paint the patterns and leave the carving to adults.

Leave Outdoor Lights On -

Leave outdoor porch lights on for kids as they trick-or-treat. This will help make sure that they don't trip over hoses and other outdoor decorations when coming up to your house.

Stay Healthy -

It's easy to indulge in treats on Halloween. Try to limit the amount of candy your kids eat in one sitting!

As always, you can contact us with any of your legal questions. Just call 718-626-1004 to contact our office.

Sincerely,
The Attorneys and Staff at Pyrros & Serres, LLP
