Holiday Safety Tips from **Pyrros & Serres, LLP**

The holidays are a busy time of year. As you get ready to spend time with family, friends and loved ones, remember to keep your health and safety in mind. Here are a few tips to help you stay healthy through the holidays and into the new year.

Holiday Safety Tips:

Designate a Driver

The holiday season is filled with social events involving alcohol. Whether you are going to a work party or visiting family and friends, be sure to designate a driver if you will be drinking.

Decorate Carefully

Decorations are a big part of many holiday traditions. Whether you are hanging lights or running cords through your home, do so carefully.

Prevent Fires

Never use candles near trees or curtains. Keep them away from pets and never leave them burning unattended!

Keep Walkways Clear

Keep your sidewalk and walkways clear. Cold temperatures, snow and ice can make walking near your home dangerous. Use salt and ice removable products if you know you'll be having people over your home and keep pathways well-lit.

Drive safely if you are traveling for the holidays and enjoy spending time with your loved ones!

If you are in need of legal assistance this holiday season, call 718-626-1004 to contact our office.

Sincerely,
The Attorneys and Staff at Pyrros & Serres, LLP
